Sometimes, our world can literally feel as though it's upside down. Every day alters our minds and emotions and in times like this, it's important to think about all the things that we're thankful for. Let's remember all the blessings in our life, stay positive, thankful and set ourselves up on a path that is going to be productive and happy.

Have a look at the questions asked in the box below, close your eyes and write down the first thing that comes to your mind

Let's create a poem.

Winter is a time to celebrate family and togetherness. In winter, our body craves for rich food which provides warmth along with nourishment. A variety of hokhe-syun is made in Kashmir. Some of them are mentioned here:

Harissa, Wangan-Hachi, Al-e-Hachi, Ruwangan Hachi, zaafran Kehwa, Koshur Pulav, Hokh-e-gaad (Dry Fish), Gogji Aare, phare-gaad or smoked fish, Shabb Degh, Dandelion Greens (Handd), Knapweed (Kretcz), etc.

 Help your mother in preparing any two of the Kashmiri winter foods and write down the recipes in the box provided.

• Create a scrap book using your old notebooks, drawing books, scrap books or your previous class almanac.

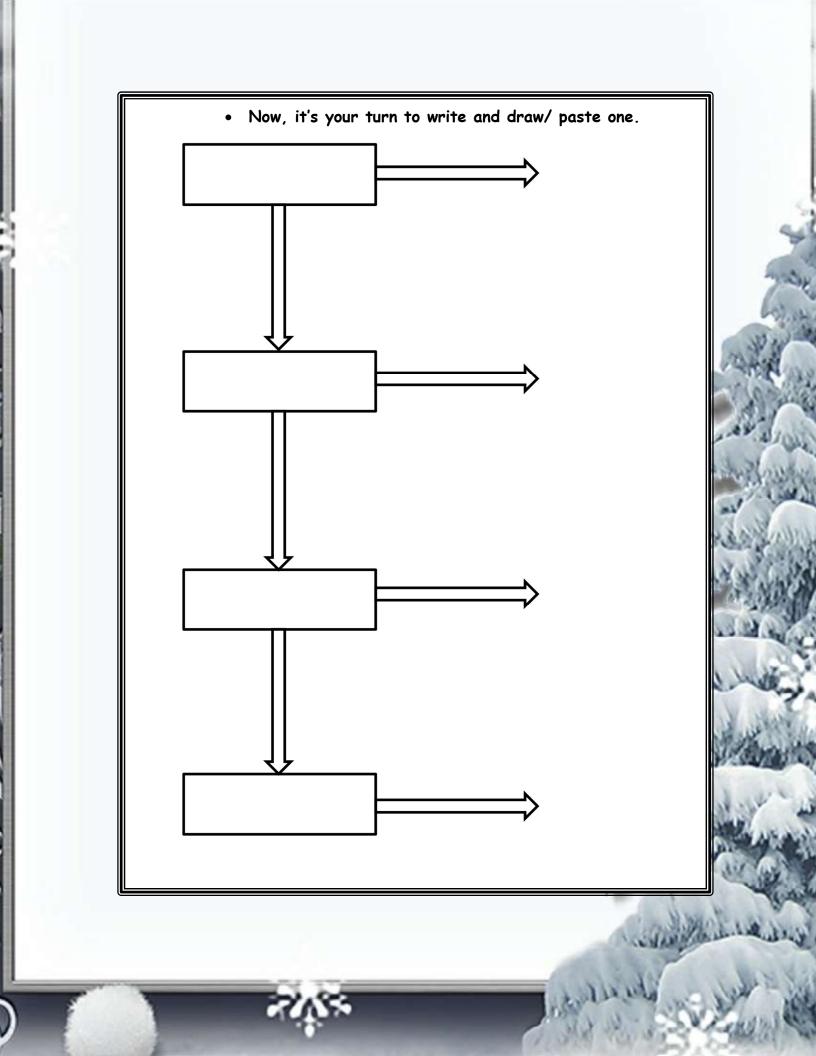

Research Time:

Let's find and pen down a fact about Kashmiri food.

Example:

- The principle diet of Kashmiri people is rice ("batte").
- How does rice become "batte"?
