Q1. Draw a bar graph using coloured paper strips (for reference see the picture given below) representing the amount of snow accumulated in the following five districts of Kashmir.

S. No	Districts	Snowfall (in cms)
1	Pahalgam	16
2	Gulmarg	13
3	Banihal	14
4	Kokarnag	10
5	Kupwara	9

Q2: During winters we use wood for “Hamaam” if the cost of wood per 200 kg is ₹ 1000, then what will be the cost of same for 10 quintals (1000 kg)? Also, in how many days this quantity of wood will be consumed if the rate of wood consumed per day is 20 Kg?

1. Scrap Book Making

Create a scrap book of your own using old notebooks, drawing books, scrap books or your previous almanac.

2. Winter garden/ Egg head garden

Materials required: Eggs, soil, some herb seeds (Grass, mustard, Mint, coriander, Oregano etc.) coloured markers, egg carton and cardboard (base).

- Write the requirements for seed germination.
- Once seeds germinate in your winter garden click pictures of the same. Paste the picture of egg garden on the scrap book which you have made.
- Do mention the seeds used and its importance.

3. Fun in the kitchen

Lotus stem, locally known as “Nadur” grown in shallow parts of water bodies like ponds & lakes is a vastly enjoyed ingredient in Kashmiri cuisine. Make a booklet/scrapbook to answer the following questions with pictures and description.

- Find out and write about the seeds of Lotus stem.
- Write the nutritional value/health benefits of Lotus stem.
- Assist your mother to cook a dish in which “nadru” is the main ingredient.
- Find out one famous street food made with it, write the recipe of the same on the scrap book which you have made.

4. Migratory birds of Kashmir

Kashmir valley has the largest *bird reserve/ wetland* situated in the Jehlum River basin. Migratory birds always arrive in wetland reserves of our valley as they come here to spend the winter months. People living around the Valley's wetland reserves witness hundreds of migratory birds landing and taking off each day.

- Collect information about all the wetlands of Kashmir valley that is regarded as the heaven for migratory birds. Write short description of each wetland.
- Find out migratory birds arriving in the valley and paste their pictures on the scrap book created by you.

5. Christmas tree from “Best out of waste”

It is often a great time to let your creativity flourish when you try to surprise every one with hand-made gifts or unique decorations at home. Expand the boundaries of your imagination because this time we want you to show us the

most creative, recycled way of making and decorating **Christmas tree** out of the stuff you already have at your home like cotton, egg shells, milk cartons, etc.

Click the picture of Christmas tree you have made and paste it.

Paste the picture of Christmas tree here

- Change of season involves change in lifestyle. Draw a comparison between the summer and winter season. Draw or paste pictures related to the difference in the two seasons in terms of clothes, food, furnishing, heating or cooling appliances used, etc.
