Let's buy some groceries!

Dear Children!

Pay a visit to a local market, to buy some fruits and vegetables. Once you are done with the visit, do the following tasks on appropriate loose sheets/drawing sheets.

- Draw the scene of the market you visited.
- Draw the means of transport you chose to travel to the market.
- Make a fruit and a vegetable basket using materials like newspaper, disposable glasses, etc (for baskets) and clay or any other material available at home (for fruits and vegetables). Both the baskets should include fruits and vegetables made using clay, newspaper, etc.
- Draw and count each item you brought from the market. Write the number, the initial letter sound, haroof / swar for the same.

For example:
