Q1: Write the numbers from 1-50.
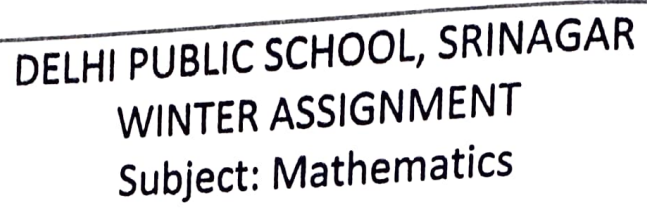

Q2: Write the number names of the following numbers.

24 _____   17 _____

15 _____   11 _____

7 _____   4 _____

28 _____   30 _____

Q3: Put the correct sign <,> or = in between the numbers.

50..........34   18...........36

43..........12   30...........30

37.......... 27   42............42

12 18   45...........25

29...........49   28...........38

Q4: Write the number that comes 'after'.

12...........   43...........

26...........   18...........

39...........   25...........

49...........   37...........

17...........   20...........

Q5: Write the number that comes 'before'.

..........13 7

..........11 18

..........8 15

..........10 16

..........9 14

Q6: Add the given numbers horizontally.

3 + 3=_____   4+1=_____

4+2= _____   5+4=_____

2+2=_____   7+2_____

Q7: Add the given numbers vertically.

6   5

+ 2   +3

_____   _____

_____   _____

```
    4                              2
   +3                             +2

  _____                       _____

  _____                       _____
```

Q8: Subtract the given numbers horizontally.

5-4_____   9-3_____

7-2_____   6-3_____

5-1_____   7-3_____

Q9: Subtract the given numbers vertically.

```
    6                              5
   - 2                            -3

  _____                       _____

  _____                       _____
```

7	6
-3	-2
